

Current Vacancies for Architects, Interior Designers, Project Managers, Graphic Designers

Harrison is an award winning international Architectural & Design consultancy, specializing in hospitality design. With offices in Dallas, TX, London, Birmingham UK and Dubai, we are actively engaged with many high-profile clients. We are looking at growing our teams.

Please send us your CV/Resume.

Are you self-motivated, creative and talented? Can you think outside the box? Do you have great inter-personal skills? Are you client orientated? Do you want to be part of a rapidly growing and entrepreneurial business that prides itself on building client relationships and design excellence?

Responsibilities

- Harrison supports many high profile domestic and international brands. The successful candidate's responsibilities includes researching and obtaining industry data that aligns with our client's strategic design & repositioning goals. You shall be required to demonstrate a good understanding of hotels and restaurant brands.
- Learn our culture and design process by collaborating with the Design Directors and Senior Design team to develop creative design solutions. We pride ourselves on our creativity.
- As part of a wider team, participate in brand positioning, brand development and concept creation.
- Collaborate on hospitality interiors projects, including programming client needs, conceptual and schematic design, design development, and management of budgets and schedules.
- Participate in presenting to prospective clients, demonstrating related knowledge and genuine passion for the design industry.
- Develop unique and well-crafted copy presentation documents. Develop innovative presentations using InDesign Software and confidently interact and present ideas and strategies to clients.
- Maintain up-to-date knowledge of products and materials available on the market. FF&E scheduling & budgeting, coordination with consultants, suppliers and vendors.

Requirements

- Experience in hospitality and restaurant design essential.
- A creative team player with excellent project solving skills.
- Work efficiently to meet challenging deadlines accurately.
- Must be willing to travel both domestically and internationally.
- Excellent interpersonal, social and organization skills.

Harrison.

- Strong knowledge of the design process, knowledge of furniture, finishes, materials, colour selections, and specifications.
- Technical proficiency in AutoCAD / REVIT, Microsoft Office, Sketch Up, InDesign, Photoshop and Illustrator – dependent on role.
- Ability to work well under pressure, juggle and prioritize multiple projects and adjust work accordingly, often against tight deadlines.
- Bachelor's Degree
