

Harrison.

Current Vacancies for Architects, Interior Designers, Project Managers, Architectural Technicians and Graphic Designers

Help us take hospitality and leisure experiences to the next level.

Hospitality, F&B and leisure design experts, Harrison, are evolving into a true 360° experience provider. That means we're developing a dynamic brand design team, based in Sutton Coldfield, creating fully integrated, engaging brand worlds in a fast-paced and exciting sector.

Our journey has already started – working on exciting new concepts for clients like *Hilton and Cambridge University*. This is a 'next step' opportunity for an experienced **designers, Architectural Technicians and Project Managers** – we're looking for team players who are passionate about hospitality – ambitious to take their career to the next level. You will help to forge a team of specialist hospitality brand designers into industry leaders from the ground up. That means starting 'hands-on' with agility, and then managing growth.

Harrison is an industry leading, creatively driven agency. Passionate. Provocative. An independent company obsessed with crafting beautiful, engaging stories which add character and bring brands to life.

Please send us your CV/Resume – see below

Are you self-motivated, creative and talented? Can you think outside the box? Do you have great interpersonal skills? Are you client orientated? Do you want to be part of a rapidly growing and entrepreneurial business that prides itself on building client relationships and design excellence?

Responsibilities

- Harrison supports many high profile domestic and international brands. The successful candidate's responsibilities includes researching and obtaining industry data that aligns with our client's strategic design & repositioning goals. You shall be required to demonstrate a good understanding of hotels and restaurant brands.
- Learn our culture and design process by collaborating with the Design Directors and Senior Design team to develop creative design solutions. We pride ourselves on our creativity.
- As part of a wider team, participate in brand positioning, brand development and concept creation.
- Collaborate on hospitality interiors projects, including programming client needs, conceptual and schematic design, design development, and management of budgets and schedules.
- Participate in presenting to prospective clients, demonstrating related knowledge and genuine passion for the design industry.
- Develop unique and well-crafted copy presentation documents. Develop innovative presentations using InDesign Software and confidently interact and present ideas and strategies to clients.
- Maintain up-to-date knowledge of products and materials available on the market. FF&E scheduling & budgeting, coordination with consultants, suppliers and vendors.

Requirements

- Experience in hospitality and restaurant design essential.
- A creative team player with excellent project solving skills.
- Work efficiently to meet challenging deadlines accurately.
- Must be willing to travel both domestically and internationally.
- Excellent interpersonal, social and organization skills.
- Has experience working on new concepts

Harrison.

- Strong knowledge of the design process, knowledge of furniture, finishes, materials, colour selections, and specifications.
- Technical proficiency in AutoCAD / REVIT, Microsoft Office, Sketch Up, InDesign, Photoshop and Illustrator – dependent on role.
- Ability to work well under pressure, juggle and prioritize multiple projects and adjust work accordingly, often against tight deadlines.
