

Harrison.

Midweight Interior Designer – Birmingham

Help us take hospitality and leisure experiences to the next level.

Hospitality, F&B and leisure design experts, Harrison, are evolving into a true 360° experience provider. That means we're developing a dynamic new brand design team, creating brand worlds (identities, packaging and environments) for a fast-paced and exciting industry.

Our journey has already started – working on a number of exciting new concepts for clients. This is an opportunity for emerging interior designers passionate about bars, restaurants and hotels and hungry to build a career in an innovative and super-creative sector, to start honing their skills.

Harrison is a warm, inclusive working environment with a family feel – coupled with an international outlook and global clients. Our expanding design studios are based in Sutton Coldfield, Dallas and Melbourne.

We are looking to grow our UK team by employing a Midweight Interior Designer with Hospitality Design experience to join our growing Birmingham team.

Are you self-motivated, creative and talented? Can you think outside the box?

Do you have great inter-personal skills? Are you client orientated? Do you want to be part of a rapidly growing and entrepreneurial business that prides itself on building client relationships and design excellence?

Areas of Responsibility will include:

- Supporting the Design Director and Creative Director working across multiple international and UK based projects
- Working across all design development project stages.
- Exploring creative concepts, making suggestions at appropriate stages in the project.
- Producing full detailed design packages as a team that are required to form a Tender package.
- Producing FF&E material, furniture and lighting proposals including specification and coordination
- Space planning, lighting design principles, Front of House and Back of House provisions and means of escape.
- Project drawings, and the associated cross-referencing,
- Preparation of mood board, design presentation boards.
- Involvement in the understanding of client's budgets and breakdown.
- Attending project planning meetings and site meetings.
- Implementing planning and other legal requirements such as Health & Safety regulations.

Requirements:

- Highly creative
- BA (Hons) or MA Interior Architecture high qualification (or equivalent)
- Must have a proven portfolio of hospitality projects.
- Minimum of 4 years' experience working in the hospitality sector.
- A creative and technical skillset.
- You will require a good understanding of current trends in the interior design industry.

Harrison.

- Must have a comprehensive understanding of different materials and their suitability for different applications.
- A fantastic eye for design and be an enthusiastic team player.
- Ability to produce detailed technical drawings and to use AutoCAD, SketchUp Adobe InDesign, Illustrator, and Photoshop are essential for this role.
- Hand sketching also an advantage
- Excellent presentation, conceptual and visualising skills
- Ability to work efficiently in a fast-paced environment to tight deadlines
- Fluent in written and spoken English.
- Strong and confident client communication skills
