

Harrison.

Junior Interior Designer – Birmingham

Help us take hospitality and leisure experiences to the next level.

Hospitality, F&B and leisure design experts, Harrison, are evolving into a true 360° experience provider. That means we're developing a dynamic new brand design team, creating brand worlds (identities, packaging and environments) for a fast-paced and exciting industry.

Our journey has already started – working on a number of exciting new concepts for clients. This is an opportunity for emerging interior designers passionate about bars, restaurants and hotels and hungry to build a career in an innovative and super-creative sector, to start honing their skills.

Harrison is a warm, inclusive working environment with a family feel – coupled with an international outlook and global clients. Our expanding design studios are based in Sutton Coldfield, Dallas and Melbourne.

We are looking to grow our UK team by employing a Junior Interior Designer with Hospitality Design experience to join our growing Birmingham team.

Are you self-motivated and creative?

Do you have great inter-personal skills?

Are you client orientated?

Do you want to be part of a rapidly growing and entrepreneurial business that prides itself on building client relationships and design excellence?

Areas of Responsibility will include:

- Working across all design development project stages.
